Extraordinary Bodies is casting for a brand-new show, *Splash!* The show is commissioned by The Mighty Creatives and the *Splash!* Consortium. [More about *Splash!*](#)

Splash! will be an outdoor, sensory, visual performance, inspired by themes of water, buoyancy and discovery. It will tour to 5 venues in the East Midlands from June to September 2019. We are making the show for children and young people with learning disabilities and their families.

We are auditioning D/deaf, disabled, learning disabled and Black and Asian Minority Ethnic circus artists, actors and dancers. We are very interested in artists living or working in the East Midlands.

The audition is a chance for performers to meet people from theatres in the East Midlands, to make connections with other artists, build relationships and start conversations.
